

Tolochee Building Code

In order to create a more uniform appearance for Camp Tolochee, the OAC Physical Resource Committee has established the following guidelines and standards. All new construction, renovation or major repairs must be presented in writing to the Properties Committee Chairman for approval.

1) Roofs will be covered with 5-V galvanized metal sheeting (no color).

2) Uniform colors will be:

- 1) Khaki-PMS*-Code554C
- 2) Forrest Green-PMS*-Code467C
- 3) White
- 4) Fire Engine Red

PMS* = Pantone Matching System, code needed by paint provider for mixing.

3) Buildings, when painted, will have khaki exterior walls, forest green exterior trim and white interiors. The PR Committee must approve exceptions.

4) Signs will be white with red lettering.
